Activities at the K Club
K Club, Straffan, Ireland

You can't talk about activities at the K Club without talking about golf, as the resort is home to both the Palmer Ryder Cup Course and the Smurfit Course. Guests interested in fishing are accompanied by a Ghillie down to the banks of the River Liffey or to one of the 3 lakes on the golf courses, where they can fish for rainbow trout, brown trout, or pike, depending on the season. K Club partners with nearby experts to offer guests unique experiences. Abbeyfield Farm has over 40 horses available for both first time and expert riders, and at Newgrange Falconry guests can interact with different species of falcons, hawks, owls, and golden eagles.
